Bon Secours St. Francis Health System

FAITH FORWARD

June 2010

"Learn to lavish the grace of God on others, generously giving of yourself." –Oswald Chambers

The St. Francis Foundation is a charitable foundation that supports the healing mission of the Bon Secours St. Francis Health System. We seek out kindred spirits to join in generosity and bring comfort, joy and hope to the community.

Preslar Scholarship Awarded

Two promising young students received this year's Preslar Scholarship: **John Brewer Eberly, Jr.**, son of our Dr. John Eberly; and **Joshua Meyer Schmidt**, a volunteer at Open Arms Hospice. An honors student pursuing a B.S. in Biology at USC, John is involved in undergraduate research; he also participates in the music ministry for several churches and volunteers in the community and on mission trips.

Joshua plans to attend the Honors College at the College of Charleston in the fall, studying Biochemistry. He hopes to become a pediatrician and "create a fund to support free preventative care for children from underprivileged families." In six months' time, he has volunteered over 300 hours at the Hospice House and received two state awards for his service. The Foundation is pleased to support the meaningful aspirations of these self-giving young people.

Calling All Artists!: Employee Art Contest

All artists in the St. Francis family are invited to design the label for this year's Festival of Trees wine. Employees and volunteers may submit their creations to the Foundation office by July 16. A selection committee of employees will then choose the finalists, and those designs will be posted on Saint Net for all employees to vote on their favorite. The winning artist will receive a complimentary case of wine. See the side bar for specifications and ignite your creative genius.
