The Gift that Keeps on Giving

The opportunity to make your child's mark on St. Francis doesn't end with the Walkway of Celebration. Contact the St. Francis Foundation office at 864.255.1040 if you are interested in the opportunity to celebrate your child with his or her name on:

- Labor and Delivery Rooms and Mother Infant Unit
- A Nurses Station (Center of operations for the main floor or Neonatal Care Unit)

- Conference Room (Where your nurses receive the ongoing training that allows them to give you the very best care)
- Waiting Room
- Neonatal Care Unit

"Childbirth is the most important time in a couple's life. The doctors and nurses at ST. FRANCIS eastside understand this, and it shows not only in the best medical care from a technical point but from their compassion as well. Teamwork is essential in providing the care during such a wonderful life event and this is where the doctors and staff shine."

Dr. David Godwin, OB/GYN

President, Medical Staff St. Francis Hospital

Celebrate
your little
bundle of
Joy.

Join St. Francis as we
Celebrate the Children
who give you so much every day.*

Celebrate

The Vision

The blessing of a new life in your family can grow into a legacy for many families. Each name chiseled in brick on our Walkway of Celebration represents the parents, families and friends who have chosen over the years to enrich other families by their generosity. Their gifts provide continued support for the Neonatal Care Unit, the Lactation Program and the Nurse Home Visit Program. In sharing your blessings with other new families, you join us in the compassionate care that touches each and every little one born into the St. Francis family.

“My experience at St. Francis was amazing. We bought the brick to honor Fletcher and the wonderful staff at St. Francis. All first time parents should be this lucky!”

Virginia – Fletcher’s Mother

“This is more like a family-centered experience. The bond between a delivery nurse and a new mom and dad is astonishing. They’re not gonna forget that face. The bond is just great.”

Labor and Delivery Nurse

Share

It’s a Joy to Share

The joy you are experiencing can multiply into other little lives through gifts to the St. Francis Celebrate the Children Program. In addition to educational sessions for expecting families, these gifts go to:

Fetal Monitors

With added fetal monitors, we are able to provide a monitor at each bedside. Nurses can now spend more quality time with their patients, offering dedicated, compassionate care.

Giraffe Bed

This full-featured radiant warmer and incubator allows us to move a critically ill infant in a continuously stable environment. Also, with the bed’s easy hand access, parents can better bond with their infant.

Bili Blanket

This blanket allows a mother to breastfeed and bond with her baby without interrupting phototherapy.

Tiny Touches

This program provides support for families who experience a pregnancy loss. With holistic and palliative care for grieving families, we give tangible memories to hold.

Breastfeeding Room

For the future we are looking forward to a new Breastfeeding Room at both hospitals. Here, guests can feed their babies in a private nurturing environment.

Every gift is significant. Gifts of \$125 or more will enable us to engrave your loved one’s name in the Walkway of Celebration. Please inquire about additional exciting naming opportunities at 864.255.1040 or visit our website at stfrancisfoundation.com.

Give

Thanks for Giving

Please accept our sincere thanks for your generous support as we Celebrate the Children.

Please make checks payable to the St. Francis Foundation. All gifts are tax deductible (Bon Secours St. Francis Health System Foundation, Inc./26-0012031). Gifts to the St. Francis Foundation are eligible for Corporate Matching Programs where available. Thank You.

“Our whole team makes the promise to always act in the best interest of your baby, to provide the best and most appropriate level of neonatal care, to keep parents informed while respecting their privacy and confidentiality, and to discharge your baby as safe and as early as possible.”

Dr. John McKay, Neonatal Care Unit

Yes, I would like to make a donation in honor of a child.
A gift of \$125 or more purchases a brick on the ST. FRANCIS eastside Walkway of Celebration.
