(Payroll-deducted gifts require signature)

What an opportunity and privilege to be a part of this incredible family that has led the way in giving back to our health system. With this year's Employee Giving Campaign, we're acknowledging how making a difference starts with us. Every day **you give** of your time and talent to this ministry to lift up those we have been called to serve. For most organizations this would be enough, but our family gives generously of their treasures as well and our community takes notice.

Over the past 3 years the employees of Bon Secours St. Francis have given \$1,000,000 to **The One Fund** benefitting the patients and families we are so privileged to serve.

How selfless of you to give so generously and my hope is you realize the impact you have made and continue to make. As always, 100% of what you give to Bon Secours St. Francis **stays locally** and makes such a difference. In advance, thank you for joining me in the 2019 Employee Giving Campaign because it truly does **"Start with Us"**.

-Matt Caldwell, Market President
Bon Secours St. Francis Health System

It Starts with Us!

2019 Employee Giving Campaign

To give online, go to www.stfrancisfoundation.com

It Starts with Us.

The employees of Bon Secours St. Francis do great things every day. We care for our patients. We help our communities. We bring people to health and wholeness...and we do it together.

The Bon Secours St. Francis family is known for living our Mission with kindness and generosity of spirit. You can further support our ministry – and our extended family of patients and families – by giving to this year’s campaign, The One Fund.

The One Fund is an opportunity for you to support many needs by giving to your Foundation. We have identified patient care items for all three campuses and BSMG practices. This is an ongoing fund that will continue to support needs as they arise. Bon Secours St. Francis employees have given back \$1,000,000 in 3 years to the One Fund.

- Metal Straw Kit

Frequently Asked Questions

Why do we have an employee campaign?

As the people who bring our Mission, Vision, and Values to life every day, our employees are our most important advocates. When you choose to make a personal donation to Bon Secours St. Francis, you’re sending a powerful message to the communities we serve that you believe in our Mission and care about supporting Bon Secours St. Francis beyond your everyday work. Your generosity inspires others to support our work too.

Doesn't Bon Secours support these programs?

The St. Francis Foundation focuses on support health care and community outreach through programs that are not part of our regular budget, or where additional support is needed. Dollars given to this campaign will make our hospital and practices stronger for our employees, patients, families, and communities.

How can I donate?

Just complete the attached pledge card and return it to the Foundation office or a Foundation representative. For assistance, call 255-1040 or visit www.stfrancisfoundation.com to give online.

How much should I give?

The amount you give is a very personal matter. You can choose one of the giving levels described in this brochure, or pick a different level that works for you. We hope that you'll decide to participate in some way to help support the Bon Secours St. Francis family.

When does my payroll deduction start?

One-time payroll deductions and PTO donations will be on June 28. Ongoing payroll deductions will begin on September 6 and continue for 35 pay periods.
